## Sample unit

The Teacher's Guide provides one unit (usually from Unit 1) as a sample for each book in order to give teachers helpful tips and suggestions. For consistency, the units throughout each book generally contain the same types of activities in order to allow students to become familiar with them and maintain their focus on language acquisition. For this reason, only a single unit from each book is provided in the Teacher's Guide.

**Listen, point, and repeat.**

**Aa Bb Cc**

- Talk about the pictures. Introduce the letter sounds (/a/ /b/ /c/) as well as the words (ant, bear, cat).

## Additional activities

Many of the exercises within the *Sounds Great* series are teachable in different ways. For this purpose, the Teacher's Guide provides a variety of options for teaching lessons. These guides can be used for practically any unit with some modification.

1. Review letter names and pictures. Have students take out their letter cards and picture cards. Call out a letter name and have them hold it up. Then, review the initial sounds and words with the picture cards.

T: Show me the letter (A). [Students hold up letter (A).]  
Show me what starts with (A).  
[Students hold up (ant).]  
T: That's right! (/a/ /a/ ant) (holding (ant) and the letter (B) holding (bear)).  
Ss: [repeating actions] (/b/ /b/ bear) and the letter (B).

2. When students are ready, call out a series of letters and have them put their letter cards in order on their desk.

**2. Which Word?**  
**Materials:** Flash Cards

1. Have students look at the three pictures in their books on page (8). Say one of the words and initial sounds and have students point and repeat. As students become more confident, increase the speed.

T: When you hear a word, point to the right picture in your book. Then, listen and repeat. Ready? (/a/ /a/ ant).  
Ss: (/a/ /a/ ant). [pointing at ant]  
T: Good job!

2. Place the three cards around the room. Say a word and sound. Have students point at the card and repeat. For added challenge, place the cards face down. (Confirm each time that they have pointed at the correct card.)  
T: Let's put the cards around the room. The (bear) is here. [placing cards face down in different locations] Now, can you remember? Where is the (cat)? (/c/ /c/ cat).

## Changed format

In some cases, activities change format within a single book. For example, in Book 3 of the series, there are four different types of homework activities. Teachers can expect to see suggestions for instruction of all four formats.
